

Director, Community Services
Dakota County, Minn.
Salary: DOQ.

Posted: Monday, March 1, 2010

Director, Community Services. The Director of Community Services will assume leadership of a division recognized at the local, state, and national level for its success. The Director will provide strategic direction, oversight and leadership for an 870 person staff of skilled human services professionals and manage a \$143 million operating budget (2009). The Director will be a catalyst for innovation, defining opportunities to leverage resources to meet service needs and seeking ways to make delivery of human services as agile as possible while adjusting to a fluctuating financial environment; a leader with the ability to inspire and manage the organization; and a person who builds and maintains strong relationships internally and with other governments, community partners, and service providers.
